APACHE TRANSPORT

MC-278171 - US DOT 186316

Serving all of North America

Apache Transportation LLC was established in 1976 to serve Apache customers and local freight needs. We offer general transport as well as specialized, high and heavy load transport.

Our air-ride tractor trailers are operated by conscientious employee-owners who take pride in careful and expedited cargo handling.

Capabilities

- ▶ Air ride tractors with direct-transport door-to-door service
- ▶ Specializing in oversize and super loads
- ▶ Apache provides permits, escorts, route surveys, bucket trucks and communications
- ▶ Full loads as well as partial loads (LTL)
- ▶ Annual permits for our tractors, reducing the need for permits for every trip, eliminating permitting delays.
- ▶ Boat wrapping available by request
- ▶ Perfect DOT Safety Rating

Assets

- ▶ (4) conventional tractors
- ▶ (2) 53' low step decks, (1) with ramps
- ▶ (1) 53' step deck conestoga trailer
- ▶ (1) 48' double drop / extendable w/goose neck / flip axle
- ▶ (1) 16' diameter extendable trailer with flip axle
- ▶ (2) 53' vans, one is vented
- ▶ (1) 48' flat bed
- ▶ (1) XL - 110 double drop with jeep and booster
